Subject: **Application for IT Support Internship**

Dear sir,

I am writing to express my interest in the IT Support Internship position at Google Inc. As a dedicated student pursuing a Bachelor's degree in Computer System Technology at the University of Engineering, Peshawar, with a CGPA of 3.87, I am eager to apply my technical expertise and problem-solving abilities within a dynamic and innovative environment such as Google.

Body

- Briefly tell about your academic background.
- Achievements and what you can do for their company,

My passion for networking and software development started when I first explored computer systems and realized their potential to solve real-world problems. I want to pursue a career in technology because I am fascinated by digital solutions and their impact on the future.

I have been part of various academic and personal projects, which allowed me to apply theoretical knowledge in practical scenarios, enhancing my analytical and programming skills. My certifications in Python, Networking, and Operating Systems from Coursera reflect my commitment to continuous learning and adaptability to evolving tech trends.

Continuous growth and innovation resonate with me because I believe in staying at the forefront of technological advancements. What distinguishes me from my peers is my solid academic foundation combined with hands-on programming experience and a drive for constant improvement.

Conclusion

- Show enthusiasm about the opportunity.
- Thank the reader for considering your application.
- Mention your availability for an interview.

I believe I would be a good fit for Google because of my strong background in networking, operating systems, and programming, along with my commitment to continuous learning. I would love to join Google's innovative team to contribute to impactful projects while advancing my professional growth.

Thank you for considering my application. I am available for an interview and can be reached at kpanwarsajjad@gmail.com or +923125432079

Subject: **Application for the Cyber Security Master Program**

Dear Sir,

I am writing to express my strong interest in the Cyber Security at University of Engineering and Technology Peshawar. With a solid foundation in computer system engineering and a passionate commitment to enhancing digital security, I am eager to contribute my skills and knowledge to your esteemed organization.

Body

Throughout my academic and professional journey, I have developed a keen interest in cybersecurity. I hold a computer system engineering from UETP, where I focused on Computer Security courses and projects. My experience working with basic programming like Linux Basics, Python and Computer Networking related to cybersecurity has equipped me with the essential skills needed to tackle the complex challenges in this field.

In my previous role at UET, I was responsible for the projects related to cybersecurity. This experience allowed me to hone my analytical skills, problem-solving abilities, and attention to detail—qualities that I believe are crucial for a successful career in cybersecurity. I am particularly drawn to program, such as innovative projects, research opportunities, or values, and I am excited about the prospect of working alongside industry leaders and fellow enthusiasts.

Conclusion

I am confident that my background and passion for cybersecurity make me a suitable candidate for NUST University. I am eager to further develop my skills and contribute to the innovative work being done at UET Peshawar. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team.

Sincerely,

Ihsan ullah
